

## School Uniform checklist 2021

The following is a guide to our school uniform requirements and the options available to parents on where to purchase school uniform. Morleys have a local shop with free parking based at Chilwell. They also provide an online shop and will host events in school to try on and order school wear subject to government guidance for retail.

Morleys will also hold our Samurai sportswear stock for your child to try on and then you can order directly via Wisepay and your child will be able to collect from school.

We have tried to provide parents with a range of options for the purchase of school uniform whilst ensuring our students look smart representing their school community.
